Beginners' Programme to Plectrum Guitar (Prelude, I, II, III)

This series of four volumes is for all those who love music and would like to learn basics of the instrument –Plectrum Guitar. It is written in a simple and lucid style; a reader with no prior knowledge of the subject can understand it. The systematic and well-organised content of the book includes the most popular western and Indian songs as well as the most popular music melodies of our times. The series can also be used by students who prepare for various music examinations. Each book of the series accompanies an audio-CD.

Special features of the book:

- 1) Familiarizes the readers with music terminologies
- 2) Exercises for extensive practice
- 3) Step-by-step approach to practice and learning
- 4) Notations and tablature of compositions
- 5) An audio-CD contains compositions on popular music melodies of the book
