"The recipes in this book lay stress on retaining the best of taste and nutrition with optimum calories. This book contains interesting and useful tips for healthy cooking. It also gives variations in ingredients, cooking methods and substitute-recipes for healthy cooking.

The author, Gurleen, being a health and fitness-conscious person, with a deep passion for cooking, has successfully brought innovation to various recipes, keeping in mind the concept of healthy cooking.

She has mastered the techniques of excellent cooking from her mother and grandmother and has imbibed a good amount of knowledge on nutrition due to her father's medical background. As a consequence, this book provides invaluable tips on disease-prevention too.

Her next book on ""Tips in Daily life"" is also under active compilation. Gurleen is also an eminent astrologer who gives lectures on the science of astrology and remedies. gurleenastro@gmail.com
