"In this enjoyable drawing guide, Barrington Barber takes as his starting point the belief that anyone ? whatever their experience ? can learn to draw well. Beginning with the basics of mark-making, he shows how line, tone, proportion and careful observation can be combined to create convincing, realistic drawings.

Designed with absolute novices in mind, as well as those who would love to revive their skills, this book will enable all users to take pleasure in the activity of drawing. Sections include:

- Marks and Materials
- Line Drawing
- Tonal Drawing
- Observation in Drawing
- Proportions and Perspective
- Composition
- Useful Practices and Projects
