An interview is definitely more important than any written exam.

So once you are called for an interview, an effective presentation from your side can always tilt the balance in your favour.

To make you a winner this book brings you many sure-shot tips and topics, never offered before by any contemporary book in the Indian market:

*SWOT analysis *Portfolio preparation *Wardrobe tips *Body language

*Interview preparation techniques that use question-and-answer sessions with analysis of top answers.

*Exhaustive data bank of frequently asked questions and model answers to afford an advantage over other candidates.

*A bonus section containing tips on good resume writing practices.
